Material

The 55-gallon receptacle trash top is made of spun 18-gauge galvanized steel and is protected with a high-gloss powder coat finish. The top features an 11.93" diameter center opening for easy trash disposal.

Finish

Fade-resistant powder coated steel components feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The top is shipped fully assembled and ready for use.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum based products.

Warranty

20-year limited structural warranty with 7-year finish warranty against fading from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.
