L1535— Horizon 40 Gallon Trash Receptacle

40-gallon steel slat trash receptacle with contour top and plastic liner

Material

The 40-gallon receptacle is 34.13" tall and is composed of 12-gauge slotted steel with a 1" wide gap uniform horizontal slotted pattern. The contour top is made of 16-gauge galvanized steel and features a 10" center top opening for easy waste disposal.

The receptacle is designed to be portable for flexibility in placement with a variety of mounting kits available to prevent movement; mounting hardware is not included. The reusable plastic liner is made of high-density polyethylene.

Finish

Fade-resistant, powder coated steel features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The receptacle ships fully assembled and ready for use. Mounting options may require some assembly.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty with 7-year finish warranty against fading from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.

Replacement Parts
