

AL19BR2

Allure Bike Rack

Material

The bike rack is composed of corrosion-resistant cast aluminum. The base has pre-drilled .4" diameter holes for surface mounting to prevent movement. Aluminum is 100% recyclable.

Features

The bike rack can be used as a stand-alone or arranged in groups. **Surface mounting is required** using .4" pre-drilled diameter holes in the base to prevent movement. **The mounting hardware is not included.**

Finish

Fade-resistant, powder coated cast aluminum features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Assembly

This product ships fully assembled and ready-to-use. Surface mounting will require some assembly.

Color

See website or sales representative for color choices.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty with 7-year warranty against fading; 3-year finish warranty from the date of purchase. See full details on multi-year warranties for components at anovafurnishings.com/warranty.

Manufactured in the U.S.

● A standard U-lock can be used at the indicated location to meet Association of Pedestrian and Bicycle Professionals (APBP) guidelines for security and functionality.
