Beacon Hill Recycled Plastic Bistro Game Table with 2 Flat Seats

Material

The 34" square bistro game table top is composed of a 10-gauge steel frame with recycled plastic planks. The 24" square game board is composed of a .110" polycarbonate material.
The flat seats are composed of recycled plastic planks along with aluminum accent planks and steel plates.

1" x 3.5" (1" x 4" nominal dimensions) recycled plastic planks are made of 95% recycled content by weight.

The frame and legs are made of 2.38" O.D. steel tubing. The seats will support 200 lbs. per linear foot.

Features

The game board featues a durable, fade-resistant UV cured ink.

The table legs feature feet with pre-drilled .50" diameter holes for surface mounting to prevent movement. **Surface mounting is required; mounting hardware is not included.**

Finish

Recycled plastic planks are impervious to moisture and corrosion, do not require the application of sealants or preservatives, and will never need painting or staining throughout the product's life.

Rust-proof aluminum and rust-resistant primed steel components feature a fade-resistant powder coating. Treated components exceed the industry standard by 34% in testing by independent sources.

Assembly

This product requires some assembly. The table top and seats ship pre-assembled. Stainless steel assembly hardware is included.

Color

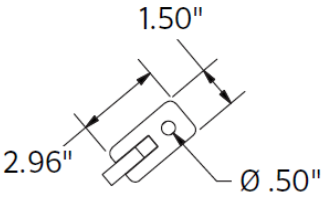

See website or sales representative for color choices.

Maintenance

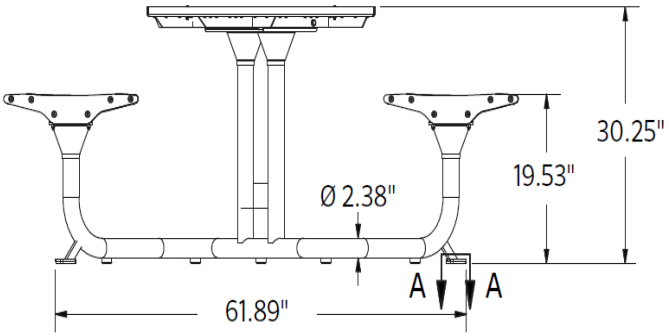

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

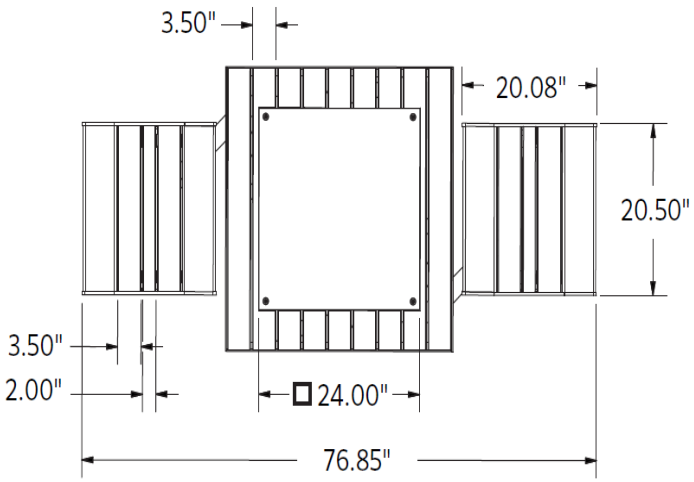

Warranty

20-year limited structural warranty, 3-year structural warrnty on game board, 20 year warranty on recyced plastic, and 3-year finish warranty on powder coated steel and aluminum components; 7-year warranty against fading from the date of purchase. See full details on multi-year warranties for components at anovafurnishings.com/warranty.
Manufactured in the U.S.
