L1397BT

Streetside 40 Gallon Receptacle, Bonnet Top

Material
The receptacle is composed of 12-gauge slotted steel with a .75" gap vertical slotted pattern. The bonnet top is made of 12-gauge steel and the reusable liner is made of high-density polyethylene.

Features
The receptacle is protected by the patented Fusion Advantage™ finish. The bonnet top features two 14" security straps and lifts off for easy trash removal. The receptacle is designed to be portable for flexibility in placement or mounted in grass using the optional corkscrew anchor. Use pre-drilled 0.38" diameter mounting holes inside the receptacle base when attaching the corkscrew anchor. The rubber feet are adjustable to assist in leveling the receptacle.

Finish
Fusion Advantage is a heat fused pastisol coating with an average .125" thickness that creates an impervious rustproof barrier and resists UV deterioration, mildew, staining and fading. Plastisol is then encapsulated with a richly tinted, high-performance powder coating that won't rust, fade, peel, chip, crack, mold, or mildew. The finish has been tested to the requirements of ASTM E1354 and is determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

Fade-resistant, powder coated steel bonnet top features a state-of-the-art primer proven to prevent rusting. Treated components exceed industry standards by 34% in testing by independent sources.

Accessories

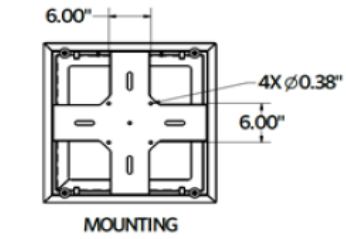

Replacement Liner	DOM2005
Corkscrew Anchor	A1020

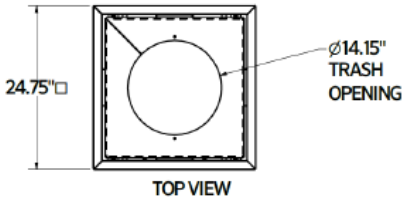

Assembly
This product ships fully assembled and ready-to-use. Using an optional corkscrew anchor may require some assembly. Leveling feet may require adjustments.

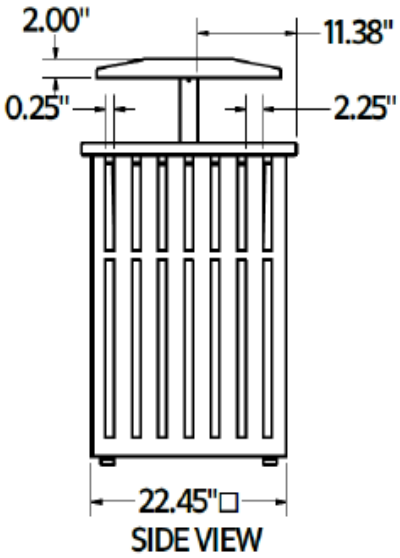

Color
See website or sales representative for color choices.

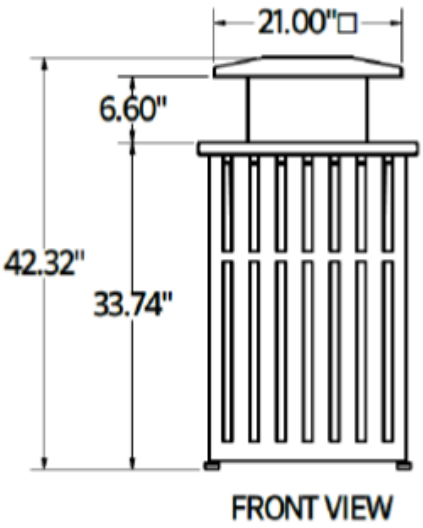

Maintenance
The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. **Do not clean with solvent or petroleum base products.**

Warranty
20-year limited structural warranty with 7-year finish warranty from the date of purchase. See full details on multi-year warranties for components at anovafurnishings.com/warranty.
Manufactured in the U.S.
