Metrix 40 Gallon Trash Receptacle, Dual Openings, Side Door

Material
The receptacle is composed of 10-gauge slotted steel with a .63" gap vertical slotted pattern. The contour top is made of 16-gauge galvannealed steel. The reusable plastic liner is made of high-density polyethylene.

Features
Receptacle is ADA-compliant. The side door features a full-length, heavy-duty steel hinge and a tamper-resistant cam lock and key system. Receptacle has two 7.25" high and 13.29" wide waste openings located on opposite sides of each other. The receptacle is designed to be portable for flexibility in placement or surface mounted using 0.32" diameter pre-drilled holes inside the base to prevent movement. The rubber feet are adjustable to assist in leveling the receptacle.
Mounting hardware is included.

Optional decals are are available. Choose "Bottles/Cans" or "Mixed Recycling" with recycle logo or "Trash". Specify white or black lettering.
Decals will be factory installed and must be specified at the time of order.

Finish
Fade-resistant, powder coated steel features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Assembly
This receptacle ships fully assembled and ready-to-use.

Color
See website or sales representative for color choices.

Maintenance
The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

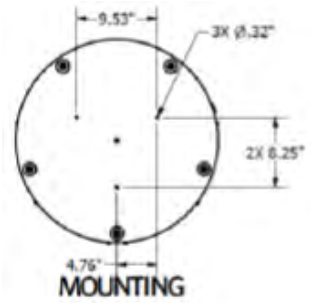

Warranty
20-year limited structural warranty with 7-year warranty against fading; 3-year finish warranty from the date of purchase. See full details on multi-year warranties for components at anovafurnishings.com/warranty.
Manufactured in the U.S.
