

LBCBR2

Beacon Hill Powder Coated Steel Bike Rack

The bike rack is made of 2.38" O.D., 11-gauge steel tube support sections with a 16" diameter steel center medallion. This bike rack can accommodate up to two bikes, one on each side of the rack.

Features

The center medallion is welded in place and features a bicycle design with sprocket cut-out edges.

The bike rack has pre-drilled .5" diameter holes in the feet for surface mounting to prevent movement. **Surface mounting is required; mounting hardware is not included.**

Finish

Fade-resistant, powder coated steel features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Assembly

This product ships fully assembled and ready-to-use. Surface mounting requires some assembly.

Color

See website or sales representative for color choices.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty with 3-year finish warranty on powder coated steel; 7-year warranty against fading from the date of purchase. See full details on multi-year warranties for components at anovafurnishings.com/warranty.
Manufactured in the U.S.
