

## LBR3PSURF

Streetside 1-Loop Bike Rack with 3-Bike Capacity, Powder Coated Finish and Surface Mount

### Material

The bike rack is composed of 2.38" O.D. x 11-gauge wall steel tubing. Each leg has a 5" diameter mounting plate.

### Features

The bike rack accommodates three bicycles—a bike within the loop plus one the outside of each leg. The bike rack is designed to be surface mounted using .5" pre-drilled holes in the foot plate to prevent movement. **Mounting hardware is not included.**

### Finish

Fade-resistant, powder coated steel tubing features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

### Assembly

This product ships fully assembled and ready-to-use except for surface mounting.

### Color

See website or sales representative for color choices.

### Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. **Do not clean with solvent or petroleum base products.**

### Warranty

20-year limited structural warranty with 3-year finish warranty; 7-year warranty against fading. See full details on multi-year warranties for components at [anovafurnishings.com/warranty](http://anovafurnishings.com/warranty).  
Manufactured in the U.S.
